

TRANSTECH USA MEDIA ALERT

TransTech USA's Founder Peter Bryant on Expert Panel at the International Business Forum's 8th annual Corporate Venturing and Strategic Investing Conference - *Capturing innovation, market share and revenue streams through corporate venture capital, M&A, and corporate development partnerships* - in Palm Springs on Feb 2nd and 3rd 2006

DENVER, CO. — November 25th, 2005 — TransTech USA's Founder Peter Bryant, has been invited to sit on an expert panel that will discuss **HOW CORPORATIONS ARE PARTNERING WITH UNIVERSITIES & RESEARCH LABS** and how with corporate R&D budgets declining, there is increased emphasis on partnering with research labs.

The conference will cover corporate venturing and strategic partnering best practices, the increasing globalization of private equity investing and business development, and how to marry innovation agility and enterprise agility. Hear strategies on how to move quickly, adapt strategically and create advantage in a rapidly changing world.

Peter Bryant, Founder and President of TransTech USA, will draw on his 25 plus years of global IT experience with leading technology companies and corporations in building and driving sustainable growth and industry led innovation. He will share his experiences with helping TransTech USA clients to reach this goal.
